Additional terms for your account

1. Account held in trust

- 1.1 The account can be transferred into the child's name from the age of 7 at the request of the adult trustee. This will remove the adult's name from the account and only the child can then give instructions on the account.
- 1.2 If a trustee dies or lacks mental capacity, the operation of the account can either be:
 - transferred to a new trustee (aged 18 years or over); or
 - transferred into the child's name. The child must be aged 7 years or over, and an adult must consent to the transfer. The adult trustee's name will be removed from the account.
 - A copy of the Savings Account Terms and the Information Sheet will be provided to the new trustee or child.
- 1.3 If you are an adult trustee and your address is not in Scotland, you can open and hold an account in trust for a child up until they are 18 years old.
- 1.4 When the child is 16 years old (if your address is in Scotland), or 18 years old (if your address is elsewhere) the child is legally entitled to the money in the account. At that age, you should make your own arrangements to transfer the account into the child's name so they can access the money.

2. Account held in the child's name

When you are 16 years old, your account will be changed to an Instant Saver Account. At least 60 days before this happens, we will let you know about the change and provide you with up to date copies of the Savings Account Terms and the Information Sheet for the Instant Saver Account.

Charges for using your cash card

Sometimes we'll charge you fees for using your cash card to access your money.

We've explained these fees and when they'll be charged below, but this doesn't include any fees a third party might charge you (for example, a cash machine fee):

Transaction type	Charges
Withdrawing foreign currency from a cash machine in the UK.	Non-Sterling Transaction Fee of 2.75% of the value of the transaction.
Cash withdrawals from a cash machine outside the UK.	

Where a fee is shown as a percentage, this means a percentage of the value of the transaction in pounds Sterling.

We'll convert any payment made in a foreign currency using your cash card into pounds sterling using the Visa Payment Scheme Exchange Rate. If you'd like to see the most up-to-date exchange rates you can visit [visaeurope.com](https://www.visaeurope.com) and click on the cardholders section.

If you'd like to view our currency conversion charge with reference to the daily rate which is issued by the European Central Bank, you can visit [rbs.co.uk/usingmycardabroad](https://www.rbs.co.uk/usingmycardabroad).

The figures displayed on that page change daily and are simply to help you compare our fees with other banks across Europe.
